

LOAN REBATE PROGRAM - PATHWAYS OWNER REWARDS

Put Your Pathways Membership to Work for YOU!

Members who actively use Pathways Credit Union will receive a monthly rebate on their loan equal to .25% interest rate discount*. Fixed rate vehicle loans, personal loans and other secured loans are eligible for this benefit. Check with a Pathways representative for additional details.

No Paperwork. No catches. Just Rewards.

There is no special paperwork to fill out to get this great benefit! As long as you meet the requirements below you will receive your rebate on your Pathways loan.

Eligibility Requirements

This is all you need to be eligible to receive your rebate:

- An active Pathways checking account.
- A monthly ACH payroll direct deposit of \$500 into that checking account.

The Fine Print

Deposits from payroll totaling at least \$500 must be received during each calendar month. Deposits received the month prior will be used to determine eligibility for the current month. If you fail to meet minimum deposit requirement during a month, your benefit will be suspended. Accounts will be suspended for a minimum of 1 month. Reward benefits can be reactivated by meeting minimum requirements again. Suspended accounts will be reactivated the month following meeting all eligibility requirements.

Examples:

1. If you start meeting the minimum direct deposit requirement in January, you will not qualify for a rebate until February.
2. If you stop meeting the direct deposit requirement in January: Rebates will be suspended in February. If a payroll deposit meeting the requirements is received in March, Membership benefits will be reactivated in April.

Pathways 
Financial Credit Union

.25% interest rate discount only applies to loans originated after 4/1/2018
